- Good understanding on **Coupling** (Tight Coupling abd Loose Coupling).

- Well known about **Cloning**(Shallow cloning and Deep cloning)

- Good knowledge in **Exception Handling** and**Colleection**.

SQL

- I have good Knowledge in **DCL,TCL,DML,DDL**
- Good Knowledge in **Aggregate Functions** (min,max,avg,count)
- Good Knowledge on **joinings**(Inner join,Left join,Right join,Fully join)
- Good knowledge in **Queries**(Nested Query,Inner Query)

Web-technology

- Proficient in creating the structure of web pages using **HTML tags**.
- Skillful in styling the web pages to enhance the visual appeal
- Good knowledge of **JavaScript**,the programming language for wed development.

JDBC

- Good knowledge in java database connectivity.

JPA

- Good knowledge in JPA(Hibernate)

TECHNICAL SKILLS

Programming Languages

- Core Java
- SQL
- HTML
- CSS
- JavaScript
- JBDC
- Hibernate
- Spring
- SpringBoot
- XML

Version Control

- intellij
- eclipse
- VS Code

Build Tools

- Lombok
- Maven
- GitHub
- ApacheTomcat
